MEMORANDUM FOR: Chief SRS

SUBJECT: DD/S Study Request

In response to our inquiries for material to be used as a research base in responding to the request for a study by the DD/S, [redacted] of the FBI has provided copies of the attached FBI monographs:

The Student New Left -- A Threat to Democratic Law and Order

Students for a Democratic Society--Front-Runner of the New Left

[redacted] advised that the FBI is currently preparing a much more comprehensive report, an up-date on the Student-New Left theme, which is currently in drafting and expected for publication in about three weeks.

It would appear that the up-coming FBI study might well meet the DD/S' requirement, considering the larger research base available to the FBI for preparation of such a study.
